

# MT 40

MONUMENT  
SANDMASK

## PRODUCT QUALITIES

The MT40 Double liner Sandmask is a unique blend of vinyl characteristics on an advanced blasting carrier. This blue vinyl provides clean, sharp lines both in cutting and the final image. Formulated to be pliable, shapeable, and emulate the weeding of rubber, this vinyl stencil not only holds to your toughest blast jobs, but holds tight and removes easily without the use of filler adhesive. As a system within itself, the MT40 provides cost and time savings. This product can be used in the monument, stone, brick, industrial, or sign industry.

### Company Values:

- Experienced with 30+ years serving the sign and blasting market
